1. The reply filed on September 8, 2003 is not fully responsive to the prior Office Action and has not been entered because of the following omission(s) or matter(s): see the reasons below for the corrections needed. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. Applicant should submit an argument under the heading "Remarks" pointing out disagreements with the examiner's contentions. Applicant must also discuss the references applied against the claims in the office action dated November 26, 2002, explaining how the claims avoid the references or distinguish from them.

3. An "Amendment to the Claims" section should be included. If the applicant is submitting new claims then all claims need to be referred to as cancelled (i.e. say cancel all pending claims) then the new claims need to be numbered after the cancelled claims. In this case, new claims would start with number 30 and be numbered consecutively there after.

4. No new matter may be added to the application. All wording for the claims need to be taken from the originally filed application.

5. Since the applicant has received two non-responsive actions any subsequent responses will be treated as non-bona fide.
